Topic: Evolution Speciation & Extinction Test Question Bank

Summary: Question bank to build assessments

NGSS Standards: *HS-LS-4.5*: Evaluate the evidence supporting claims that changes in environmental conditions may result in (1) increases in the number of individuals of some species, (2) the emergence of new species over time, and (3) the extinction of other species.

Size of Question Bank: 16 questions

Question Layout:

1. Questions are in bold
2. If there is an image above the question, that image is associated with that question.
3. Answer choices are A, B, C, D, etc
4. You can choose to include the green hint with the question. This is great for students who need a scaffold, especially if you are using this as a formative assessment.
5. Correct answer is in red.
6. DOK level of each question and type of question is at the bottom of each question.
